## Auto Territory Coverage: Attribute Definitions

	Attribute	Description
1	Basic Limit	the minimum limits of liability that can be purchased by an insured
2	Basic Limit Loss	a property insurance limit that is less than the total property values at risk but high enough to cover the total property values actually exposed to damage in a single loss occurrence.
3	Car Years	the proportion of a calendar year during which a private passenger motor vehicle can be identified as being insured for physical damage insurance coverage.
4	Coverage	Code that identifies the exposure coverage associated with the manual class code.
5	Earned Premium	The term earned premium refers to the premium collected by an insurance company for the portion of a policy that has expired.
6	Excess Limit Loss	Losses in Excess of Policy Limits — this is an expression used in reinsurance agreements that refers to damages awarded by a court against an insurer in favor of the insured, due to the insurer's having failed to settle a third-party claim against the insured within the policy limits by reason of bad faith, fraud, or gross negligence.
7	Excess Limit	the highest amount of insurance that will be offered in a given situation in excess of basic limits.
8	Incurred Count	Losses Incurred — the total amount of losses sustained during a given time period that are paid and unpaid but reserved.
9	Incurred Loss	The total amount of paid claims and loss reserves associated with a particular time period, usually a policy year. It does not ordinarily include incurred but not reported (IBNR) losses.
