

Architecture Working Group

The purpose of the Architecture Working Group is to design, communicate and maintain the technical architecture of the openIDL codebase and network.

The first meeting of the Architecture Working Group took place Monday March 14, 2022. Notes from the initial Architecture Working Group Meeting are available in the sidebar. The following items were ratified in that meeting:

1. The Purpose statement
2. Volunteer/Nomination of Chairs
3. Initial planning for next meetings and steps

The AWG currently meets on Mondays, on a weekly basis, at 11:30am Pacific/2:30pm Eastern.
